

# HR Consulting Group Services

Our HR Consulting Group have developed an extensive range of training, career transition and HR programmes to meet the needs of our client organisations. All of our programmes are fully tailored to the individual or group we are delivering to. We have professional mediators, management mentors, career consultants and specialist HR consultants available to deliver customised, cost effective and legislatively compliant HR solutions.

Our psychological and counselling support is delivered by our qualified professional counsellors and psychologists. Our HR consulting group programmes are delivered by our qualified HR and career consultants.

- Career Transition
